

We wanted the very best for you!

So here it is, your amazing Sapphire collection.

Each wedding starts with an engagement so for this reason we include an engagement shoot with a framed signing board for all your guests to sign on your wedding day.

Obviously you get unrivaled photography from your preparations until your meal.

A modern, contemporary storybook album to showcase your amazing wedding day photos and a really smart soft leather case to keep your album safe.

4 mini albums for the favourite people in your life.

An online gallery to view and share your photos with family and friends.

A handy smart phone app so that your photographs are always close by.

A beautiful jewelled heart shaped USB with all your images ready to print and logo free.
